

Statement of Work — Skeleton

TEMPLATE ONLY — NOT LEGAL ADVICE. Review with a licensed attorney in your state before use. Bracketed items **[LIKE THIS]** must be completed or removed.

Chapter 6 · Stage 2 — Offer

One per engagement. Short. This is the document that changes; the MSA is the one that doesn't.

STATEMENT OF WORK #[N] Under the Master Services Agreement dated **[DATE]** between **[PROVIDER]** and **[CLIENT]**.

1. TERM

Start: **[DATE]** · Initial term: **[3 months]** · Then continues month to month until terminated per the MSA.

2. THE DELIVERABLE — DEFINE THIS PRECISELY

Provider will deliver **[N]** booked appointments per month, defined as:

A scheduled appointment with **[a homeowner / decision-maker]** located within **[SERVICE AREA]**, who has **[confirmed the appointment time by text or phone]**, entered on Client's calendar.

Appointments that are cancelled or rescheduled by the prospect **[do / do not]** count toward the monthly number. No-shows **[do / do not]** count.

This paragraph is the single most important thing in the document. Every vague word here is an argument in month three.

3. SCOPE — INCLUDED

- **[Channel(s) — e.g. paid social lead generation]**
- Speed-to-lead automation and follow-up sequences
- Appointment reminder sequence
- A2P 10DLC brand and campaign registration
- **[Weekly / monthly]** reporting

4. SCOPE — NOT INCLUDED

- Website design, hosting, or maintenance

- Logo, branding, or print design
- Reputation or review management
- Answering Client's inbound calls
- **[ADD ANYTHING ELSE]**

The exclusions do more work than the inclusions. Say them out loud on the call too.

5. CLIENT RESPONSIBILITIES

- Maintain at least **[N]** bookable appointment windows per week, including **[some outside business hours]**
- Respond to booked appointments within **[TIMEFRAME]**
- Provide the payment method for advertising spend directly to the platform
- Provide accurate legal entity information for carrier registration
- Mark appointment outcomes (shown / won / lost) in the system

6. FEES

One-time setup fee	\$[___] — due before work begins
Monthly management fee	\$[___] — billed [monthly, in advance]
Advertising spend	Paid by Client directly to the platform. Recommended: \$[___]/mo

7. TIMELINE

MILESTONE	TARGET
A2P registration submitted	Within 1 business day of signature
Registration approved	Carrier-dependent, typically 4-15 days
Build complete	Day [___]
First appointment expected	Day [___]

State that registration timing is carrier-controlled. Under-promise here — you don't control this clock.

8. REPORTING

Provider will deliver a written report **[weekly / monthly]** covering appointments booked, appointments shown, Client-reported jobs won, and cost per shown appointment.
